Littmann®
Stethoscopes

Invest in your career with a high-quality stethoscope – and get a parts kit at no charge*.

The 3M™ Littmann® Stethoscope provides high acoustic sensitivity for general physical assessments, making it an excellent choice when you're learning how to auscultate.

And now for a limited time, you can receive a parts kit at no charge with the purchase of a Classic III™, Cardiology IV™ or Master Cardiology™ Stethoscope.

Quality and reliability in one convenient package.

Manufactured to the same high standards as all 3M™ Littmann® Stethoscopes, the replacement parts in the kit fit seamlessly with your stethoscope.
